

# FIVE TYPES OF

# VOLUNTEERING

## 1 TRADITIONAL VOLUNTEERING

It might be a food bank, day centre, charity shop or a garden project. This requires a regular commitment to a session or activity.

## 2 ONE OFF EVENTS

This could be marshalling at a fun run, making teas at a coffee morning, or even selling unwanted clothes at a jumble sale

## 3 SKILL FOCUSED ROLES

Many charities rely on specialists to support their work. Social media, legal, finance and HR are common needs which are often done at home and only a few hours per month or project based.

## 4 TRUSTEE ROLES

Trustees are vital for the effective running of charities and take strategic oversight and responsibility.

## 5 CALL TO ACTION

Action campaigns involve you taking part with an activity such as giving blood, signing a petition, a weekend birdwatch or promoting a event.
